Product overview

The Evolve 75 is a wireless headset with superior active noise-cancellation and integrated busylight to enhance your productivity. Dual connectivity to two Bluetooth® devices allows you to take calls and listen to music from the same headset, giving you extra freedom to move 30m away from your smartphone and/or PC. Engineered for concentration in the office, the Evolve 75 is a wireless premium headset for professionals who want to avoid disruptive noise – and need mobility around the workspace. Move up to 30m away from your connected device, all-day comfort, an integrated busylight and certified for Skype for Business, Cisco and more.
