

Dell Pro Wired Headset - WH3024

Experience uninterrupted communication with this wired AI-based noise cancellation headset, designed with productivity and comfort in mind for all-day conferencing

Product identity

Brand	Dell
Model	WH3024
MPN / part number	WH3024-DWW
EAN / GTIN	5397184791554
Category	Headphones & Headsets

Highlights

- AI-based noise cancellation microphone: With an Artificial Intelligence (AI) processing model, environmental noise cancellation is more intelligent, reliable and accurate at distinguishing human voices vs. surrounding noises.
- Control at your fingertips: The headset is equipped with easy-to-use in-line controls and an rotatable boom microphone that can be worn on either the left or right side. Flip the mic up to mute or flip it down to unmute and answer calls.
- Connect seamlessly: Plug in and immediately start collaborating with this headset that's compatible with leading UC platforms and certified for Microsoft Teams (Open Office) and Zoom.
- Designed for ease of use: The adjustable lightweight headband and replaceable leatherette memory foam ear cushions enable all day productivity and comfort while conferencing. Connect to a USB-C or USB-A port to get started.
- Personalise your settings: Dell Peripheral Manager allows the user to make changes to the audio and device settings with additional customisation such as Audio Mode, Microphone, Sidetone, Audio Output Preset, Busy Light and more.

Key specifications
