Highlights

- Enjoy superior wireless connectivity with a range up to 150 metres and all-day battery life.
- Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices. Meets Skype for Business Open Office requirements.
- Overcome interruptions with an integrated busylight that acts as a do not disturb sign for colleagues.
- Increase your availability for customer calls. Can connect to up to 5 phones simultaneously, including deskphones, softphones and smartphones/tablets.
- Choose your wearing style from stereo, mono and lightest-in-category convertible models.
- Industry-leading wireless performance: Provides superior wireless connectivity to a range of 150 metres, enabling 3x more users in the same office space – with no loss in connection quality. Work away from the desk and still maintain a connection that...
