

## Dell WD25

Boost your productivity with the latest pro dock that offers up to 100W power delivery and a wide variety of connecting options

### Product identity

|                   |                                 |
|-------------------|---------------------------------|
| Brand             | Dell                            |
| Model             | WD25                            |
| MPN / part number | DELL-WD25                       |
| EAN / GTIN        | 5397184961735                   |
| Category          | Laptop Docks & Port Replicators |

### Highlights

- Fuel your productivity: Gain the versatility to create your ideal workspace with a dock featuring 6 USB ports, support for 4 displays and driving up to 100W of power delivery to the latest Dell AI PCs for optimal productivity.
- More manageable: Keep your dock up to date and work without interruption. Improved manageability Manage your dock from the Dell Device Management Console by utilising Dell Display and Peripheral Manager installed on your PC. Simplify firmware updates Reduce IT....
- Connect your way: Configure your workspace to your liking with an ambidextrous USB-C cable that can be routed left or right.
- Designed for sustainability: The Dell Pro Dock is built with at least 65% post-consumer recycled materials and packaged with 100% recycled or renewable packaging, and offering up to 72% power consumption reduction on standby mode.
- Wired.
- Host interface: USB 3.2 Gen 2 (3.1 Gen 2) Type-C.

### Key specifications

|                   |                 |
